

DEUX MAISON
AT CROSSWINDS

A wide-angle photograph of a hillside at sunset. The sky is filled with dramatic, orange and yellow clouds. Two ornate street lamps stand on the left and right sides of the frame, their lights glowing warmly. In the background, a city skyline is visible across a body of water. The foreground is covered in lush green grass and shrubs.

LAUSANNE

High above, in the most exclusive part of Crosswinds is Lausanne—
a **24-hectare enclave where the air is quieter, the views are
wider, and privacy comes standard.**

DEUX MAISON

AT CROSSWINDS

Introducing **Deux Maison**—Brittany's newest masterpiece in the heart of Lausanne, Crosswinds Tagaytay.

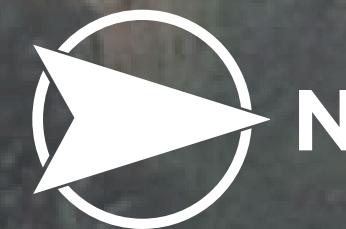

Inspired by the French words for '**two homes**,' Deux Maison is a rare pairing of chalet-style duettos, where the warmth of timber textures meets the elegance of modern design. Surrounded by the cool embrace of over 35,000 pine trees, each home offers elevated cabin living—complete with sloped roofs, natural finishes, and panoramic views of Tagaytay and Metro Manila's breathtaking landscapes.
